The past week has been a busy one and all indications point to this week marking a most wonderful termination of 32 successful years. The sale has brought many new people in Bridgeport to the store and hundreds of the old appreciated customers have returned and reaped the benefit of the sale celebration. All departments of the entire store are reduced in a substantial way and the stock represents the best values ever offered in the city. Christmas shoppers would do well to pay this store a visit. Practically the whole Christmas display is on the floors and all at sale reductions. COMMON SENSE AND HEALTH

COMMON sense tells you that real health cannot be forever dependent upon the artificial stimulation of laxatives and cathartics.

Drugs relieve constipation temporarily, but never cure it. Nujol is odorless and tasteless, absolutely neutral, and is not digested or absorbed into the system. It acts merely as a mechanical lubricant.

Nujol is not a drug. Its use will not give quick, temporary relief. But Nujol is a genuine remedy in that it relieves constipation in the most natural way by lubricating the lining of the intestines, softening the intestinal contents, and thus promoting healthy and normal bowel activity.
